priktai.com

PRIKTAI · HR-SOIL · MADE IN THAILAND

See every soil layer.
Do water & fertiliser reach the roots?

HR-Soil measures **moisture · temperature · EC** at every depth, in one probe

EC is an indicative value for salinity/fertiliser trends

HR-Soil probe · 5 m cable included

2 layers Vegetables, greenhouse	**฿3,290**
4 layers Fruit trees	**฿5,490**
8 layers Perennials, research plots	**฿8,900**
